

## SYNETICS SIRES DOMINATE GERMANY'S TOP LISTS!

### BREAKING NEWS HOLSTEIN RZG

#### Extremely successful breeding value estimation for SYNETICS!

- SYNETICS provides three #1 according to RZG!
- **Real Syn** is clearly the new No.1 black & white genomic bulls by RZG and RZ€ in Germany as well as in the Interbull list.
- **Topstone** remains the undisputed toplist leader according to RZG for one year. Also in the Interbull list he still occupies as No. 1.
- **Solito Red** underlines in this proof run his pole position in conformation breeding value (RZE). Furthermore, he is the top allround heredity (RZG) bull.

#### Black & white genomic:

- The new No. 1 with a big lead in the black & white genomic list is **Real Syn**. His RZG is 171 and his RZ€ almost 3000 RZ€. He also proves to be an excellent sire in the RZOrganic, which is introduced for the first time at this proof run.

- **Rockwell** directly follows him in the RZG toplist. With his sons as list leaders, the SYNETICS bull Rover, as the most successful sire of sons, illustrates his special hereditary performance.

- SYNETICS provides 11 of the TOP-20 in RZG and 7 of the top 10 RZ€ sires in the black & white genomic bulls.

- **Milosch, Glasgow** and **Spoonbill** prove to be the best sons of their sires.

- We can find in the toplist by conformation **Way Maker, Aeronaut** and Huntsville. They rank as 3 of the top 5 conformation sires.

- Four of Germany's TOP-10 milk bulls can also be found in the SYNETICS portfolio.

*Real Syn 10.833597 (S. Rover)*

#### Black & white daughter proven:

- **Topstone** is and remains the No.1!

- Three of the TOP-5 RZ€ bulls come from SYNETICS. Besides Topstone, Lenovo and **Gazebo** can be found in the top places.

With growing daughter numbers, the true quality of a bull's becomes apparent. Again and again there are big winners, like in this proof run:

- **Complex** gains 7 points in RZG with now over 1000 daughters. at the auctions underline the qualities of these bull.

*Godja VG-86 (S. Topstone), Owner: Weser-Milch Lünschen KG, Büttel*

- With a large number of daughters, our "oldies" Beatstick and Beart keep their breeding values very stable.

- **Darlingo** continues to consistently dominate the RZE toplist.

---

### Red & white genomic:

- **Cop Red PP** is the highest homozygous polled sire in Germany's top red & white genomic lists.

- With excellent conformation the best sires shine in the list according to RZE, which is headed by **Spicy Red**, **Maz Red PP** and **Fred Red P**. **Spicy Red** defends with it place 1 since the last two breeding value estimations. **Feit Red P** deservedly rounds out our list as the fourth of the top 5 conformation sires.

*Cop Red PP 10.833595 (S. Cartoon P)*

---

### Red & white daughter proven:

- The two Salvatore sons **Solito Red** (+6 RZG points) and **Spark Red** (+4 RZG points) dominate the overall list of red and white daughter-proven bulls by RZG.

- **Solito Red** deserves special mention. He shines not only by his known, good RZE also in the RZG as list leader. In the RZorganic he reaches with rank 6 also a very good placement.

This is only a small excerpt from the interesting portfolio of SYNETICS. Shortly we will present you our current bull offer in more detail.
