

WHAT'S NEW AFTER THE AUGUST 2023 PROOF RUN?

BGS is the unique breeding organization for **BROWN SWISS** in France, actively working for the **BROWN SWISS** breed in France (as unique herdbook and breeding program) and worldwide.

We are very proud to present you, as their export arm, their astonishing new bulls offer for this August 2023 proof run, with no less than 6 new bulls, in the top of all rankings worldwide.

We are highly working on the polled range and a new addition is arriving this summer, **Talico P**, already available sexed, coming from a tremendous family, LBB Lalice EX-92.

Just be a little more patient, 2 more will follow in the near future ! And more to come later !

La crème de la crème of French **BROWN SWISS** today will be present at the national **BROWN SWISS** show with 140 females on the 5th of October, during the world's best livestock show, **SOMMET DE L'ELEVAGE** in Clermont-Ferrand, France. Don't miss it ! We hope you see you there !
