

## WHAT IS NEW AFTER PROOF RUN AUGUST 2023?

The Jersey breeding program at SYNETICS is still young, nevertheless the first daughters of these sires have already calved and underline the claim and our passion to provide you with a complete and broadly usable range of Jersey bulls.

Downtown Brown daughter: Daisy-J  
Breeder: Peter Heinzer

Crystal P daughter Jessy  
Breeder: Eiting, Wiefelstede

Dilbert-P daughter Ulijana  
Breeder: Jäger, Kirchlinteln

We are looking for sires that combine positive performance and the highest possible DPR. A faultless linear from a deep cow family completes our claim.
