

## Strong offer from BGS program !

Our Brown Swiss bulls from BGS gather an unmatched offer

**BREAKING NEWS Brown Swiss ISU:** this December proofs run confirms the high potential of our bulls, let's look at the most recent newcomers

**6 bulls >200 ISU**

### Brown Swiss genomic bulls

- **Snoopy** (S. Jonmar) is #2 of the ISU offer at 208 ISU. His impressive milk proof raised to 2369 kg. The best Jonmar son is also BB, A2/A2 and available sexed.
- **Toronto** (S. Piston) saw his proofs go up, to 203 ISU. Balanced production, very nice linear and good health makes him very popular.
- **Tripoli** (S. Optimal) also went up, to 187. This balanced type bull with good functional and positive teat length can't be missed!
- **Thor** (S. Parador) has an original pedigree and a very complete profile. He is available sexed as all the bulls presented.
- **Talico P** (S. Veles P) is part of the best polled bulls today! Excellent type, high milk, and from a very strong family (2<sup>nd</sup> dam : LBB Lalice EX-92).
- **Pactole** (S. Blower) holds back again the first place of ISU, at 212. We can't wait to see his proven proofs, daughters are starting to be in milk now!

*Dam of Tripoli: Lisel*

*Thor*

### Brown Swiss daughter proven bulls

- **O Malley** (S. Bender) won 92 kg of milk, by doubling his daughters! His proof keeps improving everywhere. This bull with fantastic components and udders will for sure be as popular proven as he was genomically, being the most used bull in the world then.
- **Optimal** (S. Sinatra): keep an eye on him! He adds daughters to his proofs and breeders are very pleased. His daughter DLS Noumea has the highest ISU in France!

*DLS Noumea, daughter of Optimal*

This was only a small excerpt from the interesting portfolio of **SYNETICS**. Shortly we will present you our current bull offer in more detail.
