

## SYNETICS' breeding program continues to show strong superiority!

- **Real Syn** is clearly the No.1 Black & White genomic bull according to RZG and RZ€ as well as in the Interbull list.
- **SYNETICS** provides 7 out of 10 of the best Black & White genomic RZ€ bulls.
- **Topstone** has been the list leader according to RZG for over a year with additional daughters.
- **Gywer RDC** has his first progeny-tested sons and proves to be the most successful sire in the Red & White bull segment. In addition, he also demonstrates his great advantages in the Black & White segment.

### Black & White genomic bulls

- With 171 RZG and almost 3000 RZ€, **Real Syn** continues to maintain his extraordinary class and the absolute lead in the overall list.
- **Rockwell** improves his RZG by one point and takes 3rd place. **Real Syn** and **Rockwell** are the best **Rover** sons.
- Mention must also be made of **Marriott** as the highest Mahomes son, **Rainstar** and **Saiko**, who are in the Top 10 of the RZG list.
- As the highest **Zivet** son, **Zirkel** is proving to deliver free stall offspring for the future. He even takes 1st place in the RZorganic list.
- Newcomer **Rayban P** is the highest polled **Rainow** son.
- The top list for conformation includes **Aeronaut** and **Way Maker**. They are among the top conformation sires.
