

WHAT'S NEW AFTER DECEMBER 2023 PROOF RUN?

With the latest official breeding value estimation 2023, the sires from **SYNETICS** have once again proven their strengths.

- ❖ **Real Syn** #1 of the genomic B&W bulls in the world according to RZG and RZ€
- ❖ **7 out of 10** of the best RZ€ genomic B&W bulls can be found in our stables
- ❖ **Topstone** has been the list leader of the proven B&W bulls for over a year
- ❖ **Gywer RDC** sons dominated the B&W and the R&W top list of proven bulls
