

## WHAT IS NEW AFTER DECEMBER PROOF RUN 2023?

The lineup of TPI-bulls is an important part of the **SYNETICS** offer. To ensure a wide range and diversity we are happy to announce that we were able to extend our portfolio with some new, very exciting bulls.

- ❖ 16 bulls over 3000 TPI with semen available
- ❖ 20 bulls over 1000 NM\$ with semen available
- ❖ 3 bulls over 3,0 PTAT and positive production
- ❖ 5 bulls over 2,5 UDC and positive production
- ❖ Nearly 50% of the offer is A2/A2

Kamps-Hollow Altitude-ET EX-95 the legend behind Overflow (202H016623)
