

## Brilliant performance by the SYNETICS bulls

- The SYNETICS breeding programme once again records a brilliant breeding value estimation with a base adjustment of -5.0 RZG points for the Black & White and -4.8 RZG points for the Red & White Holsteins.
- SYNETICS represents 50% of the TOP-10 in RZG and 50% of the TOP-50 in RZ€ of Black & White genomic bulls.
- **Real Syn** remains the undisputed number 1 in the RZG Top list of Black & White genomic bulls according to RZG and RZ€.
- **Cop Red PP** remains the highest homozygous polled RZG Red & White genomic sire.
- Our "all-time favourites" **Darlingo** and **Solito Red** continue to be THE conformation bulls!

### Black & White genomic bulls

- **Real Syn** remains the star at the top of the overall list with a big lead.
- **Rockwell** follows him again as the second best **Rover** son.
- **Marriott** as the highest Mahomes son, **Rainstar** and **Pretender** complete our 50% of the TOP-10 in this category.
- The highest newcomers are **Pretender** and **Trophy**.
- **Rayban P**, the highest available polled sire in this top list, should not go unmentioned.
- **Way Maker** remains the measure of all things in conformation. **Aeronaut** and **Huntsville** accompany him in the TOP-5.

### Black & White daughter proven bulls

- With a reliability of 99% and 1,200 added daughters, **Topstone** once again performs excellently in this breeding value estimation.
- **Gepard RDC** is ranked 7th in the top list.
- Looking back at the fabulous progeny groups of the 50th Schau der Besten, we are pleased that **Gigaliner** is the highest newcomer in the TOP-10. **Hadi** also proved his strength with the first daughter-tested breeding values.
- As expected, **Darlingo** continues to consistently dominate the RZE top list.

## Red & White genomic bulls

- **Cop Red PP** once again positions himself as the highest homozygous polled sire in Germany's RZG top lists of Red & White genomic bulls.
- **Raven Red** attracts attention in this category with the title of "best newcomer".
- SYNETICS shines in conformation with **Spicy Red, Maz Red PP, SMS Red PP, Fred Red P** and **Feit Red P**. They are all among the top 10 sires. **Spicy Red** has been defending its pole position for over a year.
