90% of Top 20

SYNETICS, leaders for Health

- **Resistance to paratuberculosis**, exclusive French indicator, is providing a unique long term solution for farmers to control this disease. 50% of top 20 Synetics bulls are qualified RPTB like **Talent, Toutatis...**
- **Hoof health** becomes new official proof, 5 years after Génosanté. Also the new Feet & Legs composite gives more weight on hoof angle. Normande accelerates fast on hooves! **Teddyriner** becomes breed leader #1 STPI +1,1 and F&L +2,9.
- **Polled** also highly contributes to health and welfare. While widening its unique polled program, SYNETICS launches the 1st Normande bull open to diffusion with **Typhon P** complete profile.

SYNETICS bulls leads Genetic Progress
