

WHAT'S NEW AFTER THE APRIL 2024 PROOF RUN?

7 new bulls enters our line-up of high quality: **2 polled** and **2 show type** bulls ! All of them are **BB, A2A2 and available sexed**.

Most of them are from outcross pedigrees to make your matings easier !

April came with the usual yearly change of mobile base in France and the population of reference includes now females born between 2016 and 2018, showing the progress of the breed:
