

WHAT IS NEW AFTER THE APRIL 2024 PROOF RUN ?

SYNETICS offers a balanced lineup of sires with high TPI and very complete profiles.

SYNETICS is proud to propose:

- 21 bulls over 3000 GTPI and 5 over 3100 GTPI with semen available.
- 31 bulls over 1000 NM\$ and 10 over 1100 NM\$ also with semen available.
- 2 proven sires **Summerlake** and **Lenovo** remain in the proven TOP 100 TPI and over 2900 TPI.
- **Toolate** and **Overflow** reach the top of our GTPI offer with +3157 and +3156 TPI.
- Our Bigshot sons **Bigshow** and **Banderas** are still doing great with good availability.

Daughter group of Gigaliner

In total we launch **16 new bulls with semen available** at this April proof run.
