

WHAT'S NEW AFTER THE APRIL 2024 PROOF RUN?

The Jersey breeding program at SYNETICS is still young, nevertheless the first daughters of these sires have already calved and underline the claim and our passion to provide you with a complete and broadly usable range of Jersey bulls.

Crystal P daughter Jessy
Breeder: Eiting, Wiefelstede, Germany

Dilbert-P daughter Ulijana
Breeder: Jäger, Kirchlinteln, Germany

Let's have a look at our top bulls of the moment.

Our modern offer provides a unique range of bulls from which **75% are polled**, and **75% are available sexed** !
