

## Top genomic bulls become top PROVEN too !

Optimal and Pactole go up with milking daughters

This August run is an impressive milestone for the confirmation of French Brown Swiss reliability: genomic stars **Pactole** and **Optimal** are now proven and rank respectively #1 and #9 in ISU worldwide proven bulls !

**Uderzo P** and **Tomy P** are joining a great team of polled bulls: we have 3 bulls that are polled in the top 10 ISU ranking and #9 !

2 new bulls

6 polled bulls

### Brown Swiss genomic bulls

- **Uderzo P** (S. Tamboy P) is a new intriguing heterozygous polled with close to 2000 kg milk, from a new cow family and outcross pedigree. Medium size with great width and power, available both conventional and sexed. aAa 561432
- **Tomy P** (S. Vivek P) is also a new top heterozygous polled bull with extreme solids and super fitness traits, from a Barca VG dam out of Rastaroket family, appealing type profile with aAa 516432
- **Tornero P** (S. Ramses) is the new ISU leader with 205 pts and the best heterozygous polled bull combining milk, components, fitness and strong cows. A pure economic star.
- **Snoopy** (S. Jonmar) still holds the highest level of milk index you can find at +2276 kg along with 1,7 longevity. Also #2 ISU

*Remise (S. Aristo) dam of Uderzo P*

*Tomy P (S. Vivek P)*

### Brown Swiss daughter proven bulls

- **Optimal** (S. Sinatra) has now more than 400 daughters in milk and is still in the top 10 proven bulls ! A breed leader to combine milk + udder + fertility and well balanced cows
- **Pactole** (S. Blower) is just starting to become proven and what a start ! He keeps an incredible 197 pts of ISU and affirming his assests.
- **O Malley** (S. Bender) has now more than 2700 daughters worldwide and they continue to satisfy customers.

*Sephora, daughter of Pactole*

This is just a small excerpt from the interesting portfolio of SYNETICS. We will shortly be presenting our current range of bulls in more detail here.
