

Great News in the August proof run

The Fleckvieh breed is highly valued worldwide due to its outstanding suitability as a dual-purpose breed. Fleckvieh offers milk, beef and fitness on the highest level. The requirement for polled is also becoming increasingly important in the Fleckvieh breed. Almost 50% of all first inseminations are now done with semen from polled bulls.

Progeny proven sires

- If bulls remain later attractive following their high genomic breeding values, even among progeny proven bulls, this creates confidence in the breeding program. That is why we are proud to be able to offer you 4 bulls that are among the top 6 progeny tested bulls: #1 **Hashtag**, #2 **Zeiger**, #4 **Zubringer**, #6 **Haiti**.
- **Hashtag**: After his excellent debut in 3rd place as a progeny-tested bull at the last breeding evaluation, **Hashtag** managed to improve once again. With a Total Breeding Index (GZW) of 143, he catapulted himself to the top of all progeny proven Fleckvieh bulls worldwide. The popular **Hashtag** continues to be one of most complete sires of the breed and the most successful sire of sons.
- **Zeiger** and **Zubringer**: The two full brothers both stay strong at position 2 (GZW 140) and 4 (GZW 138), respectively of all progeny tested bulls. This shows their current exceptional position within the daughter proven rankings.
- **Himmel** (+1602 Milk kg) and **Haiti** (+1554 Milk kg, full brother of **Hashtag**) continue to shine as excellent milk improvers. They rank at position 3 and 5, respectively among the best bulls according to milk kg. In addition to his outstanding milk yield, **Himmel** also strikes as the #1 udder improver of the Fleckvieh breed.

Genomic sires

- Our exceptional range is complemented by attractive new arrivals at each proof run. Current high ranking genomic examples include **Werkstoff** (GZW 148), **Hotsummer** (GZW 148), **Witness PS** (GZW 148), **Scotty** (GZW 148) or the homozygous polled bull, **Menzel PP** (GZW 140).
- One new polled flagship in the August line-up is the fantastic sire, **Sigurd PS** with an exceptional Total Merit Index of GZW 146. **Sigurd PS** combines a high milk index (MW 124) with an outstanding milk yield (+1315 Milk kg), great fitness and perfect udders.

Witness PS

-
- The new released bulls **Musiker PS** (GZW 142, Makani PP x Hashtag), **Wenario PS** (GZW 141, Win Again x Meter Pp) and **Maschine PS** (GZW 139, Mahindra PS x Ephraim) complete the outstanding package of our attractive polled bull line-up.
 - The new polled star arrival from December 2023, **Mangan PS** (Monopoly PS x Sisyphus) continues to be one of the most complete polled sires of the breed (GZW 146).
 - The popular bulls **Snowman** (GZW 147), **Eintracht** (GZW 146), **Hamburg** (GZW 142), **Woelsau** (GZW 140), **Schiller** (GZW 139) or Schiller's sire **Senator** (GZW 133) all remain strong and impressive with their great breeding values.
