

## SYNETICS breeding program continues to set new marks!

- **SYNETICS** bulls rank in the top four of daughter proven Black & White bulls according to RZG.
- **Real Syn** continues to lead the result lists unchallenged and defends his position as number 1 in RZG and RZ€.
- In addition, the new ranking placed eight **SYNETICS** bulls in the Top 20 Black & White genomic RZG bulls.
- Furthermore, the **SYNETICS** bulls show clear strength in the conformation lists.

#1-4 of Top B&W proven list

#1 in RZG & RZ€ Top B&W genomic list

40% of Top 20 B&W RZG genomic list

### Black & White genomic bulls

- **Real Syn** remains the clear favourite at the Top of the overall list with an RZG of 166 after adjusting the breeding values.
- **Rainstar**, who can be found in 6th place with balanced breeding values, and **Pretender** in 9th place with excellent udder inheritance, complete the Top 10.
- **Smartie P** and **Segway P** (half-brother of **Real Syn**) are the highest and only polled bulls in the Top 50 list.
- New to the list are **Alster** (#11), **Halloween** (#13) and **Garcon** (#24). **Garcon** promises an extremely high milk yield and the perfect loose cow.
- **Trophy** and **Gibney** should also be considered, as they are the best **SYNETICS** sires according to TPI.

*Pretender (S. Precision)*

### Black & White daughter proven bulls

- The new number 1 in this category is **Pellegrino**. He is the highest available daughter proven bull owned by a German insemination centre and shines in the spotlight. In France, his offspring are a huge hit and **Pellegrino** is also among the best on other national breeding scales.
- **Prosecco**, **Gepard RDC** and **Topstone** complete the Top four ranks according to RZG. With over 7,300 daughters, **Topstone** has by far the most daughters in the results list.
- **Gigaliner** remains stable in #13, delivering his first bull dams and showing an admirable progeny group at the Schau der Besten 2024.
- Almost 50% of the Top 20 bulls in the RZ€ list show that the **SYNETICS** breeding program can also be profitable.
- The new #1 according to RZE is also **Pellegrino**. After years, he replaces **Darlingo** on the throne of conformation specialists, who follows him directly on #2.

*La Soleil (S. Pellegrino)*

---

## Red & White genomic bulls

- **Cop Red PP** successfully defends his position as the highest homozygous polled sire in Germany's Top lists of Red & White genomic bulls and shines with good conformation.
- Newcomer, **Dean Red P**, impresses as a good option for Red & White breeders without Solitair P in his pedigree. He is an offspring of the same family as the **Gigaliner**-daughter, who won the progeny group class at Schau der Besten 2024.
- The very complete **Raven Red** is also in the Top 25 without Solitair P in his pedigree.
- In conformation, **Spicy Red**, who once again improved his RZE. He is followed in second place by **Maz Red PP**.

*Addisyn VG-86 (S. Gigaliner)*

---

## Red & White daughter proven bulls

- **Safari Red** ranks #2 as the highest Spark Red son and shows a lot of milk and great udders with a growing number of daughters.
- His sire **Spark Red** follows two ranks behind him and stands out alongside **Gywer RDC** as the best bull sire in the Top 20.
- **Giga Red P** (#6) and **Grando Red** (#7) also prove their strength in this Top list. As the highest polled **Gywer RDC** son, **Giga Red P** has a positive influence on every herd in terms of milk production and conformation, and he is also an incredibly good inseminator.
- **Solito Red** continues to set new standards with his unrivalled RZE and is 4 points ahead of the competition.

*RS Rosi VG-88 (S. Spark Red)*
