

SUCCEEDING TOGETHER!

SYNETICS brings the highest bulls' level to get efficient cows and anticipates tomorrow by providing essential new traits for farmer's challenges and society's requirements.

FERTIMAX: WORLD N°1 in semen fertility

With **+8 pts of success at AI**, a performance unrivalled in the world of insemination and massively confirmed in the field, Fertimax is now launched worldwide to provide easier and faster reproduction.

Top quality bulls are available in Fertimax semen:

- **Thorpe RF, Shakaponk and Tornado** join an ever-expanding range of 10 bulls, including **Saplomb, Speculos, Sherlock and Roddick.**
