

## Optimal climbs to the top proven list

3 new sires with sexed semen

2024 December run is an exceptional result for **Optimal** in the GZW system. He gained 8 points from 124 to 132, with now 145 milking daughters in Germany and Austria. Unique proven bull to bring so much milk with excellent udders and fitness traits!

**60%** of Top 15 foreign

**3 new sires**

### 3 new Brown Swiss genomic bulls

- **Uzel** (S. Tank) is simply the highest Tank son in the GZW system with 128 pts. From a well proven cow family that delivered Rastaroket, he transmits components, great udders at 121 and fertility at 111.
- **Urbex** (S. Ridley) is a newcomer that combines the family of Antonov on his paternal side (Ridley half brother) and a very strong type and production cow family from Changarnier farm with granddam Mefiance (Anibal) that represented France at European show 2020 in Verona.
- **Usainbolt** (S. Rully) his pedigree offers a different option, coming from a very deep cow family in South France. Great grand dam won several regional udder contest.

*Olysee (Sinatra), granddam of Uzel*

*Sauvage (Optimal), dam of Urbex*

### Brown Swiss top bulls

- **Pactole** (S. Blower) keeps his very high level at 128 GZW thanks to high fitness values, great components and well attached udders.
- **Tornero P** (S. Ramses) is one of the highest polled bull with extreme daughter fertility.
- **Uderzo P** (S. Tamboy) shows a great balance of high milk volume, fitness traits, medium sized cow with strong udders.

*Sensation, Pactole daughter*

This is just a small excerpt from the interesting portfolio of SYNETICS. We will shortly be presenting our current range of bulls in more detail here.
