Fertimax: a new global dimension

Impressive success since its global launch in August! Already used in 8 countries, this revolutionary solution helps farmers to improve their AI success rate by +8 points

Fertimax reaches a new milestone by integrating herd management into farmers' strategies, offering even more efficient reproduction and replacement management

Many attractive bulls are available in Fertimax semen: **Tarok P**, **Camouflage**, **Talagos**, **Cadillac**, **Thorpe RF**, **Firstdate**, **Tornado**, **Temptation**, **Shakaponk**, **Chic Red P**, **Sallos PP**, **Rooney Red**, etc.

*Dam of Tarok P:
Reine VG-85, 1.Lactation*

SYNETICS elevates breeding standards with the new generation:

10 bulls compatible with robotic milking, 7 with positive milking speed, 7 exceeding 122 kg of components and remarkable health for autonomous, productive and easy-to-manage cows!

Discover a generation of excellence:

- **Ulky PP** (Speedy P x Pacoline), the assurance of 100% polled calves. He comes from a powerful family which has produced renowned bulls such as **Savenay**, **Sitolo** and more recently **Unifoux P**. He will produce very productive cows with perfectly attached udders and high resistance to hoof mechanical lesions.
- **Uvic RF PP** (Speedy P x BG Roger), our second homozygous polled option of this proof run, coming from the Eneould Melodie EX-91 family. He offers great potential for mating your adult cows with his dairy profile and extremely strong type.
- **Uztar P** (Spielberg x Gates), a future reference if you look for autonomous cows that will bring comfort to your daily life. His overall qualities make him essential for achieving your goal of work comfort.
- **Unatonia** (Sherlock x Polibay), the new sensation in milk yield, also featuring an excellent production-to-body-capacity ratio.

*Dam of Ulky PP:
Santiago GP-83, 1.Lactation*

- **Usqvarna** (Podium Del x Piwi Etl) is from the same maternal family as Vosac Man, one of the bulls with the most daughters reaching 100,000 kg of milk. **Usqvarna** offers exceptional assets for all dairy farmers.
- **Uhaitz** (Summum x Polibay), undoubtedly one of the leaders of his generation for milking speed, udder health, fertility and production.
- **Uccellini** (Starboy x Skelton), the solution for eliminating hoof health issues in your herd!
- **Ubisoft** (Summum x Polibay), a strong builder of wider, efficient cows with excellent feet and legs.
- **Ufako** (Bruce Bell x AltaZazzle), stands out for component production (+143 kg). His calving ease is also one of his many strengths.
- **Udryak Red** (Spot RF x Ramses RF), one of the most convincing red bull for productive cows with excellent udders. Ensures an ideal stature-to-chest-width ratio and strong feet and legs. His outcross pedigree also makes him easy to use in mating.
- **Usnari** (Sperous x Garrett), hard to find a fault... Profile of cows expected to be efficient, robust and functional, with a powerful foundation from his maternal family.
- **And the TOP ISU ≥ 217 pts** of the December new released available in conventional semen: **Uzeda P**, **Unygann P**, **Unifoux P**, **Update** and **Ultrafoux**.

Usqvarna

Udryak Red

More than ever, SYNETICS bulls stand out thanks to the performances of their daughters

- **Pellegrino**, with a reliability of 95 % and 151 additional daughters, maintains his position as the **#1 French** bull and **#5 globally** with **198 ISU**. He continues to shine worldwide: **#1 in Germany**, **#1 in Spain**, **#2 in Canada** and **#3 in Italy**.
- **Gigaliner** (ISU 203) meets all expectations by surpassing a reliability of 90 %. He is **the new World #3 / 203 ISU** bull with a stratospheric milk production level of +2094 kg and +1.7 in type.
- **Pacoline** (ISU 179) joins the top proven group (REL $\geq 95\%$), alongside **Polibay**, **Oria**, **Poulidor**, **Oued**, **Ogolf RF**, and **Oheme**, all with ISU ≥ 172 . With over 600 daughters each, their qualities are confirmed!
- **Polibay** (ISU 179 / +1 point) continues to surprise. He now has 865 additional daughters and his profile includes 100 % of the qualities wanted to produce productive, modern and autonomous cows.
- **Pernik** starts with his first daughters. His potential milk production of +1606 kg, combined with an udder score of +1.9 and an ISU of 192, positions him as one of the leaders of his generation.
- On the type side, a wide range of proven bulls is available, including **Darlingo**, **Solito Red**, **Liway Sil** and **Perry Pk**.
