3 new sires

3 new Brown Swiss genomic bulls available sexed

- **Ultime P** (S. Sting) is our new polled bull, from a very deep family with many generations of very good cows. He will produce medium size cows with very nice udders and feet & legs, with very high components, and excellent fitness traits like his sire Sting, who was very limited in availability. Ultime P is a top polled and the first son of Sting! Available sexed soon.
- **Uppercut** (S. Rockeur) has a very original pedigree. His dam was a Namur cow and his granddam an Amadeus. He has a nice aAa 615423 and he is BB. He is very balanced with very high components and an extremely positive fertility, he will be one of the best bulls in the breed for this criteria. His dam is VG-86 with a EX-90 udder! Available sexed soon.
- **Varane** (S. LBB Ralice) is our new star, the first LBB Ralice (from the famous LBB Ralice) on an Optimal cow; he has very high production, a very complete type and excellent fitness traits. He is available sexed only for now, BB and A2/A2.
