

Varane, the new STAR

3 new sires with sexed semen & Optimal, the top proven

April 2025 ISU proof run is the occasion to launch 3 new top sires. The base change also happened in France, like every year. As the football player, you won't miss our new star **VARANE**, he has it all !

3 new sires

3 new Brown Swiss genomic bulls available sexed

- **Varane** (S. LBB Ralice) is our new champion, #2 ISU, the first LBB Ralice son (from the famous LBB Ralice) on an Optimal cow; he has very high production, a very complete type and excellent fitness traits. He is available sexed only for now, BB and A2A2.
- **Ultime P** (S. Sting) is our new polled bull, from a very deep family with many generations of very good cows. He will produce medium size cows with very nice udders, feet and legs with very high components, and excellent fitness traits like his sire Sting, who was very limited in availability. Ultime P is a top polled and the first son of Sting ! Available sexed soon.
- **Uppercut** (S. Rockeur) #4 ISU, has a very original pedigree. His dam was a Namur cow and his grand dam an Amadeus. He has a nice triple A, 615423 and he is BB. He is very balanced. He shows very high components and extremely positive fertility; he will be one of the best bull in the breed for this criteria. His dam is VG-86 with a EX-90 udder ! Available sexed soon.

Varane

Ultime P

Genomic bulls

- **Tornero P** (S. Ramses) is still #1 ISU, and polled ! Still available sexed, BB A2A2, this original polled is still extremely attractive.

Brown Swiss daughter proven bulls

- **Optimal** (S. Sinatra) is #1 proven in France with 174 ISU and more than 11100 daughters in his proof. He is also a top proven in many countries like Switzerland. He can't be missed, producing such complete cows. He is today the best proven of its generation. He is alive, available sexed (and ferti-sexed !), BB and A2A2. Don't miss Olivier's favorite !!

Sora VG-87 (S. Optimal), dam of Varane
