

## SYNETICS bulls also shine after using Single-Step method

Breeding value estimation April 2025

- **Pennywise** continues to impressively dominate the list of genomic bulls and **Pellegrino** the list of progeny tested Black & White bulls by RZG
- Newcomer **Race Red P** integrates impressively into the Red & White list
- Performances of **SYNETICS** sires in the Top lists confirm the genetic diversity of the **MASTERRIND** bull range
- **SYNETICS** also provides a number of bull sires in the Top rankings

**#1** of Top B&W genomic list

**#1** of Top B&W proven list

**Genetic diversity**

of SYNETICS bulls has been confirmed

### Black & White genomic bulls

- **Pennywise** is still #1, also in the Interbull list according to RZG
- Among the top bulls are also **Negrone** with outstanding conformation and unique component inheritance, and **Major Tom** with the highest milk yield
- **Alster** as the highest Aljano son has the almost perfect linear profile, half-brother **Nexino** is included as the #1 conformation sire
- One of the highest polled sires is **Smartie P**, who appears to be the most interesting with his somewhat different pedigree
- In addition to **Smartie P**, **Skinny PP** is also included as another **Sega P RDC** son and is the #2 homozygous polled bull with strong protein values
- **Real Syn** remains a sought-after bull who continues to make a name for himself with his first sons and daughters. His half-brothers **Soranjo** and **Segway P** are also very interesting bulls for the future

*Major Tom (S. Milo)*

### Black & White daughter proven bulls

- **Pellegrino** remains successful in the German breeding value system and is again #1 with double the number of daughters
- **Zivet** (RZG 146), from whom a beautiful daughter group could be admired at the "51. Schau der Besten", and **Cashflow** (RZG 144) also make an impressive start with their first daughters included in their breeding values
- **Benboy** and **Copyland** are also new to this list and increasingly in demand. **Benboy** with good components and impressive health and **Copyland** with solid milk yield, components and milkability are in the Top list
- All-purpose weapon **Topstone** in #15 place remains by far the bull with the most daughters in the Top list
- **Rover** appears in front of him in #5 place as another newcomer

*Zivet daughter group at „51. Schau der Besten“*

## Red & White genomic bulls

- As a newcomer, **Race Red P** lands directly in the Top 5 and is by far the highest Ranking P-son. He is also already being used as a bull sire
- The only Pike son **Pedri Red** continues to impress. He has a super cow family in front of him, which is very interesting as an outcross pedigree in Red & White breeding. His half-brother and **Feit Red P** son **Femur Red** is the best udder sire with 145 for udders
- The all-rounder with lots of milk, **Dean Red P** is still in the Top lists
- In the conformation area, there is no way around **Solito Red** son **Spicy Red**

*Mother of Pedri Red:  
Vox Traum VG-85 (S. Augustus P),  
Owner: Volkmann, Schönberg, Germany*

## Red & White daughter proven bulls

- The bull sires appear to be the most striking in this list: **Gywer RDC** has 8 sons, **Spark Red** three sons and **Solito Red** one son in the Top 20
- **Six Red PP** remains the highest homozygous polled bull in this segment
- After a long time, **Solito Red** has to give up the throne of the conformation list to his own son and is now in #2 place.
- After an impressive daughter group at Schau der Besten, **Say Red PP** keeps to improve with his official daughter proof

*Solito Red daughter:  
Desire VG-89 2.La , Owner: Büscherhoff  
Holsteins, Nesslage & Espelage, Nortrup,  
Germany*

This is just a small excerpt from the interesting portfolio of SYNETICS. We will shortly be presenting our current range of bulls in more detail here.

**SYNETICS** - The perfect fit
