

## Breaking News Abondance & Tarentaise

A unique and large offer of proven bulls from the two hardest dairy breeds from the Alps

March saw a successful new proof run for Abondance and Tarentaise breed, and we are very pleased to have 6 new top proven bulls in our line-up.

### Abondance daughter proven bulls

- **Naturally** (Lely x Nucleair x Lion) arrives in our offer at the top, # 2 ISU ! This grand son of Tango has very remarkable daughters especially in the rear udders, components. He is also easy calving.
- **Olastar** (Loudix x Normand x Rumex) is our new star in the breed ! He shows excellent components, fitness traits, udders with volume, balance and great fore udder attachments and teat placements.
- **Neptune** (Jervezun x Oclin x Petard) is as giant as the planet ! Excellent components, good rumps and a very good udder health. He is also A2/A2.
