

## WHAT IS NEW AFTER APRIL 2025 PROOF RUN?

This April proof run 2025 keeps its promises, whether on the **ISU** offer with 2 outstanding new bulls in the offer: **Ultrachic**, the new ISU star at 200 points, and **Ulysse**, with Top Fleckvieh qualities. With the French yearly base change, our recent additions remain extremely attractive: **Titan**, the titanic type bull still available sexed, **Tyrol**, the extreme milk bull, **Tenor**, the confirmed bloodline available sexed, and many others still available in our offer.

On the German side, the base change happens every proof run. If you are looking for Top **gGZW** both genomic and proven, horned or polled, it is all here: **Hellmut** arrives at the highest rank at 147 gGZW, followed closely by **Harald**, **Hebanz**, **Hervorragend**, **Hafen** or **Haupt**.

On the polled side, our offer strengthens with **McRiver PS**, **Witness PS**, **Moedling P**, **Modesto PP**, **Heizer PS**, **Maschine PS** etc... without forgetting those still in the Top ranking like **Hotsummer**, **Zamgehts P**, **Husil**, or **Worldsbest PP**, well named, being the #1 homozygous polled worldwide.

All the best proven are here: **Monkey #1**, **Hashtag #2**, **Zeiger #3**, **Zubringer #4**... don't look further to find the best of Milking Fleckvieh !
