

SUCCESSING TOGETHER !

SYNETICS brings the highest bulls' level to get efficient cows and anticipates tomorrow by providing essential new traits for farmer's challenges and society's requirements.

FERTIMAX: a new herd dimension

With an 8-point increase in the AI success rate, this revolutionary solution is now available on a wider herd scale to boost reproduction performance, save time, reduce the number of return AIs by up to 25%, and reduce culling due to infertility.
